

NDIS Support Prices

All prices stated are effective 1 July 2022.

Our NDIS price guide provides the price we charge to provide support. Each support is charged at a different frequency (or unit). The price guide also contains important information like **price, support categories, descriptions** and **line item numbers** to help identify what is claimable. Lighthouse Disability follows the National Disability Insurance Agency (NDIA) Pricing Guide for providers.

Core Supports

Supported Independent Living

All Supported Independent Living costs vary depending on each person's needs and circumstance. The final total price will depend on your Roster of Care (ROC). The below prices provide an indication of how much supported independent living and other supports cost per hour.
