Support you can depend on

Live in a house that feels like a home

You will really feel at home in our family-style houses. You will have your own bedroom and can decorate it in your own style. Family and friends are also welcome to visit.

Skilled & Experienced Support Workers

All our support workers are well trained and experienced to support people with a range of disabilities. This includes people with high intensity needs.

Person-Centred Active Support

We engage with you to support participation in activities at home and in the community.

Strong & Rich History

We have over 30 years' experience in the sector and understand how to support people with a range of disabilities.

Quality & Safeguarding

We have quality and safeguarding systems to ensure you receive the best support.

We provide individualised and flexible support, so you can live more independently.

Supported Independent Living (or SIL) is an NDIS support where you live individually in a house or with other people in a share house. Depending on your support needs, we have support workers available 24 hours, 7 days a week.

We will support you with daily tasks like cooking, personal care, household chores, going to appointments and taking medication.
